STATUS INQUIRY

Dear Sir:

The above-identified case was allowed on December 1, 2003. The Issue Fee was due on March 1, 2003; however, the applicant did not pay the Issue Fee when due.

A Petition to Revive the above-identified application was submitted on October 1, 2004 along with the required Issue Fee.

The Petition to Revive was dismissed on November 1, 2004, as corrected formal drawings had not been submitted. The Applicant was given two months to correct this omission.

On January 5, 2005, the corrected formal drawings were submitted. The attached stamped postcard provides evidence of the receipt of the corrected formal drawings.

As nearly six months have elapsed since all documents have been submitted to the U.S. Patent and Trademark Office, the Applicant now requests information on a projected issue date for his patent.

Attached hereto are two copies of a response form. Please complete one form and return it to the undersigned in the enclosed postage-paid envelope.

Respectfully submitted,

Alan R. Thiele
